

## **I don't wanna pray**

I love my god god made love x2 / hateX2 / goodx2 / bad /me

But I don't wanna pray to my maker  
I just wanna be what I see  
Not just who I am, but the pink in golden land  
And that wide wild sky over me  
Help me to the sun, hey I'm looking everywhere  
See I'm looking to become not the prayer, but the prayer.  
And now I don't wanna pray, no  
I say I don't wanna pray, no  
And I, I don't wanna pray I don't wanna pray

I love my god, god made lovex2 / good / hate / bad / rien

I don't wanna pray to my maker  
I just wanna be feelin' free  
Not like in a book, or the leaves of trees that shook  
From a word that means only not a thing  
Pardon god and mom, what I'm sayin' isn't fair  
See I'm looking to become, not the prayer but the prayer  
And now I don't want to pray  
I say I don't wanna pray  
I don't wanna pray Who don't wanna pray

Not much good to talk, better to walk it  
Not much good to take, better to give  
We are gone forgiven and forgotten of our sins  
I promise you my friend all that dies will live again  
Pardon god and mom, what I'm sayin' isn't fare  
See I'm looking to become, not the prayer but the prayer  
And now I don't want to pray  
No, they say I don't wanna pray  
I don't wanna pray Who don't wanna pray

I love my god, god made love x2 / hateX2 : good x2 / bad /me
